

I am writing to urge you to revoke Sinclair Broadcasting's license. Their immoral and illegal step to offer a 2-hour propaganda piece for the Republican party, and without a balanced and equal opportunity for the other side could endanger our democracy and the credibility of the next election.

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
